

Your free **EU PROJECT** *matchmaking*

Projects & partners

**Are
you...**

Looking for *EU funding opportunities*?

- > But you do not know where to start from?
- > Or you are looking for the right consortium to join?

**Our
support**

Our strength - We are an international energy transition network of 140.000 business and policy professionals. And we have vast experience in leading, partnering and facilitating EU projects.

Your benefit - We track project opportunities (interest in calls, consortium building). Any time we see a request matching your interests, we put you in contact... *for free*
